"The Power To Keep The Upstate Comfortable"

Trust in iconic quality

Carolina Comfort LX Series Split System Air Conditioners

- 1 **Save up to 41 cents per dollar** and potentially qualify for utility rebates with our enhanced-efficiency 16 and 17 SEER systems versus older, 10 SEER units.
- 2 **Reliable operation with robust compressor** technology proven in our extreme, accelerated test facility.
- 3 **Long-lasting, powder-coat paint** provides a durable, automotive-quality finish that looks great, even after years of outdoor exposure.
- 4 **Durable steel extruded louver coil guards** provide protection against coil damage.
- 5 **Quiet, direct-drive fan design** minimizes vibration and sound.
- 6 **Coil options** with effective airflow and heat transfer.
- 7 **Compact cabinet** puts advanced performance in less space.

Rugged reliability

- Tested to be tough.** More than 250,000 hours of research, accelerated field trials and extreme weather testing ensure reliable performance that lasts.
- Optimized efficiency.** Matched components do more with less, which is why Carolina Comfort Series products fit perfectly in your home while delivering advanced levels of efficiency.
- Advanced manufacturing.** State-of-the-art quality control and assembly processes built upon the manufacturing expertise of Johnson Controls.
- Safe for the environment, inside and out.** We use R-410A refrigerant, which doesn't harm the ozone and keeps your system safe and efficient.
- Space and budget friendly.** Quiet, small-footprint cabinets deliver big performance with features that meet your needs and fit your budget.
- Options to satisfy your needs.** LX Series Split System Air Conditioners come with the configurations and options that meet both your comfort and budget requirements.
